CLF MISSION

The Canadian Liver Foundation is a national non-profit organization committed to promoting liver health and providing hope to people living with liver disease through:

- Investment in liver research;
- Sharing the knowledge gained through liver research with the medical community and the public;
- Delivering support programs through committed volunteers;
- Advocating for liver health for all Canadians.

CLF VISION

A world without liver disease.

For more information about how you can support the Canadian Liver Foundation, please contact us at **1-800-563-5483** or www.liver.ca

Thank You

for supporting the
**Canadian Liver
Foundation.**

Did you know that many companies offer a matching gift plan as a form of corporate philanthropy, where they match your gift with a gift from the company – thus doubling the impact of your gift?

Would you like to see your gift do twice as much for the Canadian Liver Foundation? Your company may be ready to help.

If you are a current employee, retired or the spouse or widow(er) of an employee – or a member of the Board of Directors – one of the companies on the list below might be waiting to match your gift to the Canadian Liver Foundation.

Once you have determined if your company matches gifts, please ask your corporate donations officer or your human resources department to give you an application form and follow the directions provided.

It's that easy!!
